12th Oct. 2022

Dear Nodal Officer,

As you are aware the Legal Information Management & Briefing System (LIMBS), a web-based application, has been developed by the Department of Legal Affairs in association with NIC to enhance effective monitoring of litigation involving the Union of India. The various Ministries/Departments of Government of India have been benefitted by this application. However, it is noticed that a large number of cases are not reflecting the latest details of advocates/counselors conducting the litigation of your Ministry/Department.

2. The Data/Information entered into LIMBS Portal is user based and its authenticity depends on the correctness of data entered by the administrative departments. The LIMBS data reveals that a number of cases of your Ministry/Department are showing names of advocates/counselors who have retired or are no longer on the panel.

3. I shall be grateful if you could personally look into the matter and direct the users of your Ministry/Department to update the data of cases indicating correct names of advocates/counselors presently conducting the litigation, so that effective monitoring of court cases is further strengthened.

4. For any query/clarifications in this regard the LIMBS team (email id: legis@nic.in), will be happy to respond.

With Regards,

Yours sincerely,

Rajiv Mani
